President's Report

What a season!

Firstly, thank you all. Without willing players we wouldn't have a club. I am continuously astonished by the enthusiasm and support that each and every member of our clubs brings, be it to training, games, or events.

We saw our club get a little smaller in 2016 with only five kick-ass teams entering the Capital Football winter competitions. This was clearly not an obstacle to our club, with all of our teams remaining competitive throughout the season. Our SL5's finished 7th on the ladder, SL4's came in 6th. SL2 & SL3 just missed out on the finals' series, both coming 5th. And last but definitely not least, our SL1/CL team took out the Capital League Grand Final in penalty shootouts. Such an amazing effort from all of our teams and players!

This year our committee continued to work towards consistency within the club. 2016 saw a new Secretary (Gosia Bytnerowicz) and Vice President (Felicity Butt), both Gosia and Flick contributed significantly to the communication and organisational operations of ANUWFC. Special mention to our 2016 Treasurer, Hannah James who has kept our bills paid and the club ticking for the past few seasons. Hannah became our hub of all ANUWFC knowledge this season and we hope to continue to tap into her expertise next year when she takes a break from crunching numbers as our treasurer and (hopefully) returns as a general representative.

The start of each new year brings a great number of new players to ANUWFC and coordinating and assisting players and teams can be overwhelming at times. We thank all players, new and old, for their willingness to offer information to those around them and for also always making others feel welcome. We note that our 'university' club has a traditionally high turnover of players and committee members, and 2017 will focus on bringing more information to our players, coaches and committee that will provide guidance to all of our members.

I would also like to take the opportunity to thank each of our coaches, who strategically convinced each of us to forgo our 'Canberra-winter Netflix queue' to get fit over the season! We were so fortunate to have 5 ½ eager mentors of this fabulous sport. Andy, Linda, Simon, Richard and Mike (and Chris) – we couldn't have done it without you.

If I can ask one thing of you all next year, get involved! Come back, play hard, party harder, and be as big a part of the club as you can. Come along to our events and bring everyone you know! This is a club run by the players, and we are always looking for input and ideas from everyone about what ANUWFC can do to enhance your player and club experience. Next year we aim to make the committee even more visible and with stronger lines of communication so you know what's going on with your club.

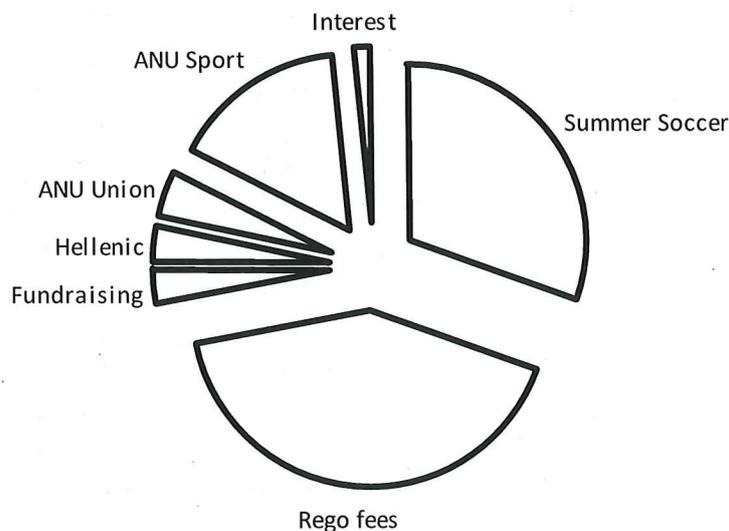

Sarah

ANUWFC

Treasurer's Report

Twenty sixteen was a pretty good year for the club; both on the field and financially. As always ANUWFC is eternally grateful to our two big sponsors; ANU Sport and the Hellenic Club in the City, who provide us with field hire, room hire, vouchers, cash and loads of support! Without these guys ANUWFC would not function as we know it!

The main sources of income for the club are not changed in 2016; with registration fees, fundraising (in particular the summer soccer competition) and the ANU Sport grant our major contributions. Club expenses were dominated by the registration, referee and field costs associated with actually playing soccer, so that's pretty reasonable! Costs for field hire went up this year, but was covered by an increase the registration fees and a reduction in the rego fee gap between students and non-students (from \$30 to \$10). We were also lucky to get an ANU Union club grant of \$2,000 to purchase new balls, first aid equipment, goalkeeping equipment and club signage. Things we always want but can't always afford! Check out the financial statement on the next page if numbers interest you, and feel free to ask questions!

ANUWFC is the only women's only club in the ACT; run by women for women. Let's make sure this stays the case for years to come, so please get involved in 2017 by joining the committee, attending events, buying merchandise or even selling chocolates. Every bit helps keep us alive and thriving! I'm stepping down as Treasurer after four years and I wish the new sucker the best of luck!

Over and out

Hannah.

ANUWFC Financial Statement 2015-2016

Profit and Loss Statement
